PAX 236

PAX 201

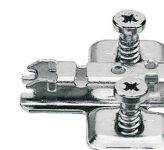

Assembly parts

Soft close hinge

Spring loaded hinge

Mounting plate

PAX 201 (standard)

2x soft close
1x spring loaded
3x mounting plate

+ Top cabinet
+1x soft close
+1 mounting plate

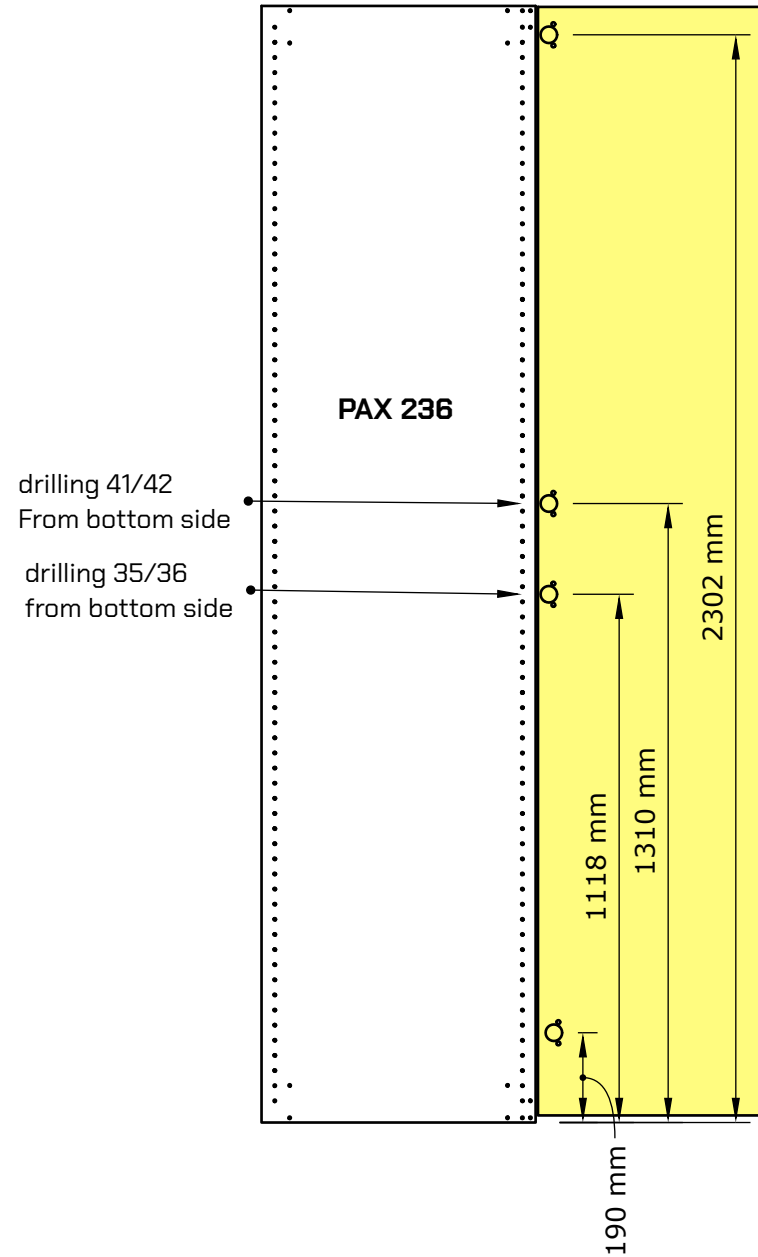

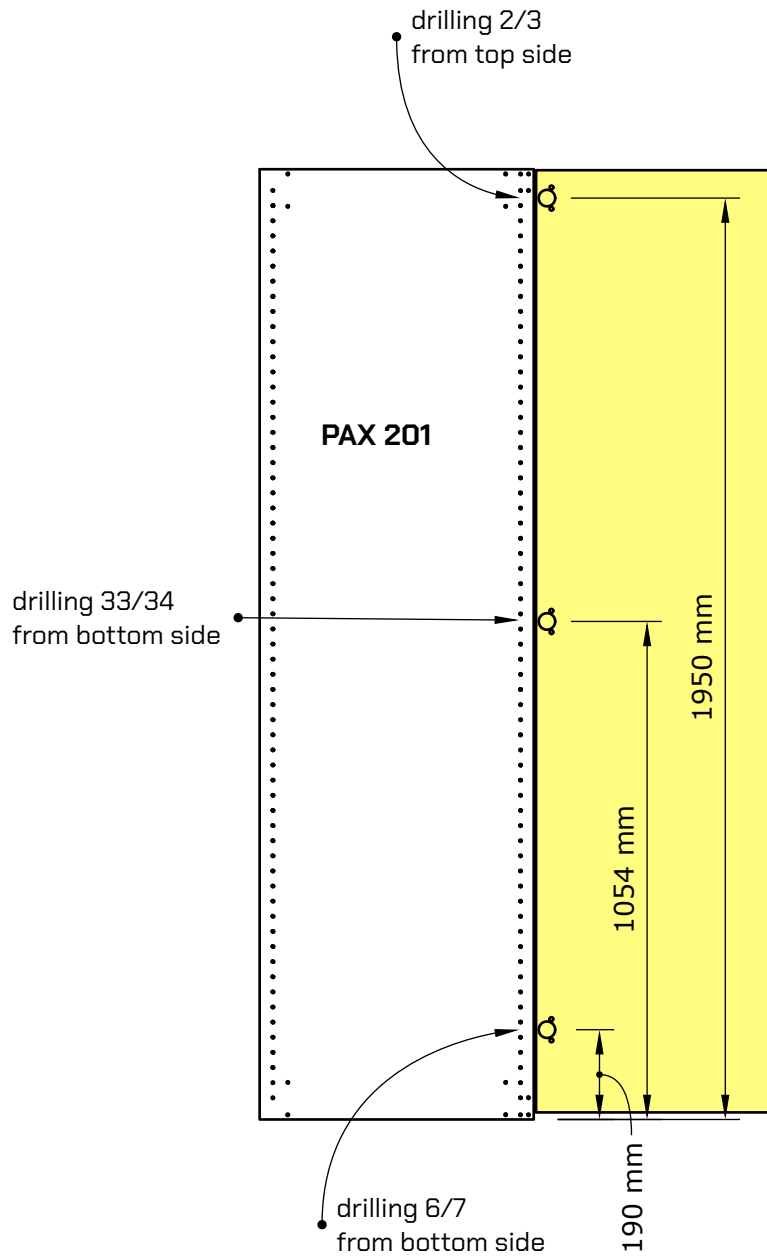

PAX 236 (standard)

2x soft close
2x spring loaded
4x mounting plate

+ Top cabinet
+1x soft close
+1 mounting plate

Step-by-step plan

1. Screw the mounting plates into the designated holes of the predrilled row.

2. Open the flap on the hinge and gently press the hinge into the pre-drilled holes in the door. Once the hinge fits properly onto the door, secure it by closing the flap.
